Woe unto you
Double crossing the Son of Man
For in the dish you have dipped your hand

Lo you come here
To deliver the deliverer
From simple kiss into tainted hands

Iscariot, Iscariot
The devil has you now
You're set up for betrayal
Iscariot, Iscariot
The devil has you now
Your kiss tastes like a crown of thorns

Woe unto you
Double crossing the Son of Man
For in the dish you have dipped your hand

Lo you come here
To deliver the deliverer
From simple kiss into tainted hands

Iscariot, Iscariot
The devil has you now
You're set up for betrayal
Iscariot, Iscariot
The devil has you now
Your kiss tastes like a crown of thorns

I have used, I have used
Your unbelief, to set them free
So die now, die now my Judas
[x3]

I have used, I have used
Your unbelief, to set them free
So die, die my Judas

Iscariot, Iscariot
The devil has you now

You're set up for betrayal
Iscaiot, Iscaiot
The devil has you now
Your kiss tastes like a crown of thorns
