[Spoken:]

I'm so glad to be here tonight and I'm so glad to be home.

And I believe I've got a message for every woman and Every man here tonight that ever needed somebody to love

Someone to stay with them all the time, when they're Up and when they're down. You know, sometimes you get what you want

And then you go and lose what you have

And I believe every woman and every man here tonight listen to my song

And it save the whole world.

Listen to me.

Everybody wants somebody
Everybody wants somebody to love

Someone to love

Someone to kiss

Sometime to miss, now

Someone to squeeze

Someone to please

And I need you you you

I need you you you

I need you you you

I need you you you

Oh, sometimes I feel like

I feel a little sad inside

My baby mistreats me

And I kinda get a little little mad

I need you you you

To see me through, babe

When the sun go down

Ain't nobody else around

That's when I need you baby

That's when I say I love you

That's when I say I love you

Let me hear you say yeah

Let me hear you say yeah

Let me hear you say yeah
Let me hear you say yeah

I need you you you you
Somebody to see me through, baby
I need you you you
I need you you you
I need you you you

When the sun goes down
Ain't nobody else around
That's when I'm all by myself
That's when I need your lovin' darlin'
That's when I need you so bad
You're the one I really need bad (?)

I need you
To see me through baby
In the morning time too
When the sun goes down
Ain't nobody else around
I need your lovin' so bad

Everybody needs somebody to love
I'm not afraid to be by myself but I just need to be
somebody to love
All the time
All the time
All the time
All the time
All the time, babe
I said all the time, babe
I said all the time, babe
I need you
I need your lovin' so bad
Let me hear you say yeah
Let me hear you say yeah
Let me hear you say yeah, yeah, yeah
Let me hear you say yeah
Uh, huh, huh, huh
Uh huh, huh huh huh
Yeah, I need you baby so bad bad bad, bad bad, bad
bad bad bad

I need you
I need you you you
I need your lovin' babe
I need your lovin' darlin'
Everybody needs somebody
Everybody needs somebody
Everybody needs somebody

Yeah, yeah yeah
Everybody needs somebody
Everybody needs somebody
Everybody needs somebody else
You gotta need too, baby
See you through
Gotta be two to see it thru

(repeat and ad lib)
