Here I am
All alone
When the midnight
Is getting close

I'm still awake
Just can't sleep
I keep waiting
Waiting...

If it takes all night
To have you here by my side (I don't care)
I don't care if it's wrong or right
In this world I know
There's too many heartaches
I will be waiting for you
And I don't mind... If it takes all night

Crying out
In desperation
Feeling helpless
When you're far away

Baby I need you
I need to hear your voice
So I'll be waiting for you
Cause I don't have a choice

If it takes all night
To have you here by my side (I don't care)
I don't care if it's wrong or right
In this world I know
There's too many heartaches
I will be waiting for you
And I don't mind... If it takes all night

She's like a shining star
She makes me come alive
There's nothing else I need
To make it through the night
All I do is waiting for you

If it takes all night
To have you here by my side (I don't care)
I don't care if it's wrong or right
In this world I know
There's too many heartaches
I will be waiting for you
And I don't mind... If

If it takes all night
To have you here by my side (I don't care)
I don't care if it's wrong or right
In this world I know
There's too many heartaches
I will be waiting for you

I don't mind... If it takes all night

I don't mind... If it takes all night

I don't mind... If it takes all night

I don't mind... If it takes all night
