Yo what up my name is Z
I am part of a family tree
My mom is cool, she likes to pee
All over our maple tree

I'm from CT thats a fact
My ex boyfriends name is Jack

This is for all you men
Who think you got the coolest pen
But no, no, no thats not true
Cuz your pen isn't blue

You may think your cool if your from NY
But you really are a dork
Ask me why this is true?
Cuz your pen isn't blue

Thats the end of the story
I wanna say hi to my man Corey
We can sing this song all day
But you gotta sing it Zinno's way
