Fuck all new rock
Fuck all shitty pop
Fuck R n B
Fuck Rap and Hip Hop
Fuck all nu metal
Fuck all this emo
Fuck all new music
It's for fucking homo's

Remember the glorious days of rock
When righteous bands ruled supreme
They were diminished in the 80's
But were temporarily restored in the 90's

Now it's gone to shit
Money has driven it away from skill
New fuckwits have no talent
Songs have ultimately been killed

Fuck all new rock
Fuck all shitty pop
Fuck R n B
Fuck Rap and Hip Hop
Fuck all nu metal
Fuck all this emo
Fuck all death metal
It's all for fucking homo's

Not even new rockers do guitar solos
Either because they suck or because their idiots
Not even nu metallers can do a good riff

They're all too fucking repetitive

Hip Hop is a load of meaningless rhymes
Rap is a big fucking joke that aint funny
Emo is for fags who wear make up
All music is nowadays run by money

Fuck all new rock
Fuck all shitty pop
Fuck R n B

Fuck Rap and Hip Hop
Fuck all nu metal
Fuck all this emo
Fuck all new music
It's for fucking homo's

Fuck all new music
It's all a profit gain
Fuck all new music
It's all a gravy train
Fuck all new music
It's a talentless joke
Fuck all new music
When will we see the smoke?

Soon there needs to be a revolution
A rebellion against this money driven shit
Music to be appreciated
Music to be considered fit
