Nana Betty in the war brick road Living another day until she's sold What does she do? What does she say? When know body else seems to have a clue

She's seen the Mersey go up and down The fab 4 doing there stuff Anfield the glory days My mind feels hurt on a Liverpool day As old nana Betty wants to stay

Nana Betty in the war brick road Living another day until she's sold What does she do? What does she say? When know body else seems to have a clue She's seen the bad times She's seen the good times Dancing in the park O yeah living in the street What the hell does that mean I ask u twice?

War brick road why does it go? War brick road should have time to grow Put out your ciggie ends out on the floor. This story has got no smoke without fire anymore.

Nana Betty we love you Just don't tell anyone the joy we saw
