"Wherever You Are"

Wherever you are my love will keep you safe
My heart will build a bridge of light across both time
and space
Wherever you are our hearts still beat as one
I hold you in my dreams each night until your task is
done

Light up the darkness my wondrous star
Our hopes and dreams, my heart and yours, forever
shining far
Light up the darkness my prince of peace
May the stars shine all around you, may your courage
never cease

Ooh

Wherever I am, I will love you day by day
I will keep you safe, cling on to faith, along the dark
dark way
Wherever I am, I will hold on through the night
I will pray each day a safe return, will look now to the
light

Light up the darkness, my wondrous star
Our hopes and dreams, my heart and yours, forever
shining far
Light up the darkness, my prince of peace.
May the stars shine all around you, may your courage
never cease.
Ahhhhhhh
May your courage never cease...
