I guess you're cryin' again  
You're feelin' all these pains  
But you can't let it out  
'Coz no one seems to care

Now you're walking out there  
All alone  
And it's sad to say  
It's dark, your on your own  
Yeah, you're on your own

Now your looking for someone  
For anyone  
Who feels like you  
Who'll walk with you  
Oh no  
You're fallin' apart

Chorus:  
How could you do these things to me?  
And now I'm beggin' for your sympathy  
So how could we be  
When in my dreams  
You're out of reach

Now you start to ask yourself  
You start to make ammends  
But you remain confused  
Still no one seems to care

Now you're running out there  
All alone  
You're runnin' on your own  
Yeah, you're on your own

But you do not know  
Where you're goin' to  
And it's sad to say  
Your life will soon be through  
You're dyin' there soon

(Chorus)
