Tonight
It's just you and me
We'll walk beside the sea
Until we fall asleep

Tonight
i'm waiting for the time
For you to realize
That i'm the one who'll always be here

Refrain:
But for now
I'll wash away your tears
And take away your fears
We'll be together, 'till the end

Chorus:
So Let me hold your hand
And never let you go
no one's gonna stop us
So let me hold your hand
Tonight

Tonight
You'll sing your song to me
We'll make them believe
That we are meant to be

(Repeat Stanza II)
(Refrain)
(Chorus)

Bridge:
I'm the one for you
You're the one for me

(Chorus)
