Bye bye, bye bye honey girl  
Bye bye, bye bye honey girl

You know I love you and I treat you the same old way  
I was glad till the day I heard you say,  
"Goodbye, goodbye, honey boy  
Bye bye, goodbye"

Bye bye, bye bye honey girl  
Bye bye, bye bye honey girl

Bye bye, bye bye honey girl  
Bye bye, bye bye honey girl

You know I love you and I treat you the same old way  
I was glad till the day I heard you say,  
"Goodbye, goodbye, honey boy  
Bye bye, goodbye"

Bye bye, bye bye honey girl  
Bye bye, bye bye honey girl...
