01008000KC=it been along time seen the last time we
have seen one
other but you are my brother.

what can say tell the pain that been going throw
what type of person have change into
what type of understanding have got from not been
around you guy's
having been doing to well with the lose of misloveone's
trying to hold on to what is right and fixing what is bad
wanting to telling you some much that won'y belive
that i made throw just need your support in belive in me
well also belive in your
