I'm your queen bee, I can buzz all night long
I'm your queen bee, I can buzz all night long
Serious honey making I tell you, weren't for a queen
bee at all

I'm young and able to buzz all night long
Aw I'm still able I tell ya, to buzz all night long
Gonna be some serious honey makin', me and my king
bee at home

Want you to love me, love me with your own free will
You got to love me baby, love me with your own free
will
You forgot to tell me you were married, honey don't you
- don't you get me killed, oh yeah yeah

Well I'm your queen bee, I can buzz all night long
I'm your queen bee now, I can buzz all night long
Gonna be some honey making, when my king bee get
home, oh yeah yeah

I walk the line
Because you're mine
Oh yeah...
