I've always been
The kind of guy
Who could handle
Almost anything

I've had money, cars
Expensive girls in bars
And I've always had my
Own song to sing

Oh, but you came along
Changed the sound of my song
And I never, ever
Felt like this before

Tell me, can this be real
This love I feel in my
Heart for you, baby
Oh, can it really be true

You changed my
Life so suddenly
I don't know if
This is me or not

But I like the new me
My new identity
So don't you ever
Let the feeling stop

Sometimes I try
To resist you, girl
Aw, but that would just
Take more than I've got

Tell me, can this be real
This love I feel for you, baby
Oh, can it really be true

Tell me, tell me, tell me
Can this be real

This love I feel for you, baby
Oh, can it really be true

Can this be real
This love I feel in my
Heart for you, hey

Can it really, really
Really be true
