"Miss You"

On the evergreen
Something so obscene
You just broke my heart and moved to Gothenburg
This is who I am
This is how I act
Thought you knew I was a fucking maniac

They played our song on the radio
Tears of rain falling down so slow
I want you back, want you to come home
God how I miss you, miss you, miss you, miss you

Then u came along
Tall, tanned skin and blonde
Guys were watching you
Knew what I had to do
Promised to be strong
Kept talking all night long
'Bout what we had together
Hours just went on
