"My Hometown"

Im running out of time
And I wonder where I lost my mind
It's my turn to shine
And I am gonna please my crowd
I'm back that's for sure
And I will never walk out the door
Now it's my, my turn
And I will never ever crash and burn

Somewhere between sweet love and hate
I met you

Look at me I'm not the boy that I used to be
Making progress day by day
Time will tell
If everything's gonna turn out well
I learned from
My hometown

I know that im alive
Getting reminders from my old life
I don't care anymore
I've finally found what I've been looking for
