Walking at the speed of light
Make a living for tonight
Rain falls down
People look so cold and grey
Everything's like everyday
I'm far away

Coz I'm gonna live my life
Anywhere I go
I will loose control
Max my stereo
I'm gonna let the champagne flow
A bottle full of dreams
Brings my soul to Stockholm

Broken heart and on my own
Delete my number from your phone
Coz I'm alright
Even though I miss that kiss
All I see is opportunities, oh yeah

Coz I'm gonna live my life
Anywhere I go
I will lose control
Max my stereo
I'm gonna let the champagne flow
A bottle full of dreams
Brings my soul to Stockholm
Yeah I'm gonna use my time
In any way I want
Have myself a ball
Just dont care at all
And let this heavy rythm flow
A bottle full of dreams
Brings my soul to Stockholm

Jump right into my dreams
To find out what it means
To fly and dare to fall
To fear nothing at all
Unlimited and high

Brighter than the sky
Never be a shadow
