There's nothing in the news today
Save the killers and their crimes
With a victim's death and time
A person that I'll never meet
Is on the cover of the Times
With a picture by his crime

There's murder on his hands
Oh, oh, oh, oh
There's murder on his hands
Oh, oh, oh, oh

The feds are trying to investigate
The perpetrator's crime
His intentions, state of mind
The defense claims he was insane
But the prosecution's trying hard
To show this man was lying

There's murder on his hands
Oh, oh, oh, oh
There's murder on his hands
Oh, oh, oh, oh
[repeat]
