Listen up brothers and sisters, come hear my
desperate tale
I speak of our friends of nature, trapped in the dirt like
a jail
Vegetables live in oppresion, served on our tables each
night
The killing of veggies is madness, I say we take up the
fight
Salads are only for murderers, cole slaw's a fascist
regime
Don't think that they don't have feelings, just 'cause a
radish can't
scream
CHORUS
I've heard the screams of the vegetables (scream
scream
scream)
Watching their skins being peeled (Having their insides
revealed)
Grated and steamed with no mercy (burning off
calories)
How do you think that feels (bet it hurts really bad)
Carrot Juice constitutes murder (and that's a real
crime)
Greenhouses prisons for slaves (let my vegetables
grow)
It's time to stop all this gardening (it's as dirty as hell)
Let's call a spade a spade (is a spade is a spade...)
I saw a man eating celery, so I beta him black and blue
If he ever touches a sprout again, I'll bite him clean in
two
I'm a political prisoner trapped in a windowless cage
'cause I stopped the slughter of turnips by killing three
men in a
rage
I told the judge when he sentenced me, this is my
finest hour
I'd kill those farmers again just to save one more
cauliflower
CHORUS
How low as people do we dare to stoop
Making young broccoli's bleed in the soup

Untie your beans, uncage your tomatoes, let ptted
plants free
Don't mash that potatoe
I've heard the screams of the vegetables (scream
scream
scream)
Watching their skins being peeled (fates in the stir fry
are
sealed)
Grated and steamed with no mercy (you fat gourmet
slob)
How do you think that feels (leave them out in the
fields)
Carrot Juice constitutes murder (V8's genocide)
Greenhouses prisons for slaves (yes your compost's a
grave)
It's time to stop all this gardening (take up macram_)
Let's call a spade a spade (is a spade is a spade...)
Power to the peas
Give peas a chance
All we are saying is give peas a chance
