Well me an' my buddies we got us some beer
And a great big bottle of rye
And boxes of ammo and guns to go with 'em
And good old Charlie's glass eye
Well we looked all around so we sees all of nature
So calm and so serene
But not for long 'cause we're gonna use guns
To make furry animals scream

'Cause we're goin' huntin'
We're gonna kill somethin'
I don't care what it is
Maybe a raccoon, maybe a gopher,
Maybe the neighbour's kids!
We're goin' huntin'
We're gonna kill somethin'
I don't care what it is
Maybe a raccoon, maybe a gopher,
Maybe the neighbour's kids!

Well off we go, our guns are loaded
And so's are we
We weaves through the bushes and falls on our faces
And piss on the nice trees
And then we spot something moving an' a rustle
We pump it full of lead
And smile real wide as we hear it scream
And thud as it falls down dead

'Cause we're goin' huntin'
We're gonna kill somethin'
I don't care what it is
Maybe a raccoon, maybe a gopher,
Maybe the neighbour's kids!
We're goin' huntin'
We're gonna kill somethin'
I don't care what it is
Maybe a raccoon, maybe a gopher,
Maybe the neighbour's kids!

Well off we go to see what we killed

And watch the damn thing bleed
The first thing we see is a bright orange cap
And we shot down Ol' Charlie
But he don't to mind, he smiled all the time
He died real happy
But next time he should tell us
When he's goin' off to take a pee

'Cause we're goin' huntin'
We're gonna kill somethin'
I donc
