Billy solves his problems by calling up his mom
Heather solves her problems with drugs and Alcohol
Daniel solves his problems with a doctor and the law
But Malcolm got his own way and it's better than them
all

CHORUS

'Cause Malcolm solves his problems with a chainsaw
Malcolm solves his problems with a chainsaw
Malcolm solves his problems with a chainsaw
and he never has the same problem twice

Whether it's a bill or a cheque arriving late
Rancid marble cheese or a steak that's second rate

Awful TV programs or a broken ELvis plate
Or his fiancee who dumps him because he's gaining
weight

CHORUS

and he goes!!
Aaaagggghhh Aaaagggghhh
problem solved
