Our love is like a new car smell
Sooner or later it all goes to hell
Somebody farts or spills some taco bell
Our love is like a new car smell
Our love is like a barbeque ignition
You know that button you push lights the propane
emission
It works for a month then the spark goes missing
Our love is like a barbeque ignition
Our love is like a video game
That you play alot and then it gets lame
Then a new one comes out that's better but the same
Our love is like a video game
Our love..
Our love is like a surgical procedure
It's painful and invasive, your insurance won't cover
And when it's done you walk funny forever
Our love is like a surgical procedure
Our love is like a Meatloaf song
It has its moments but it's way too long
Like a bat outta hell it all goes wrong
Our love is like a Meatloaf song
Our love is like Keanu Reeves
Who's made some really bad movies
That's all time you can't retrieve
Our love is like Keanu Reeves
Our love..
