As night falls we left Japan  
With half a ton of contraband  
Tight black shirts and pink armbands  
Don't tell our parents, they wouldn't understand

Maybe it's our ADD  
Or the rush of the secret inside of me  
Or being the first to play  
All of Tokyo's latest games

Don't play dumb  
You're not ignorant of its happening  
Us cool sexy seniors  
Involved in illegal game trafficking  
They won't understand

Maybe its our ADD  
Or the rush of the secret inside of me  
Or being the first to play  
All of Tokyo's latest games

Don't play dumb  
You're not ignorant of its happening  
Us cool sexy seniors  
Involved in illegal game trafficking

Guns to our heads  
The Katsu clan  
Has different plans  
Operation lives in Japan
