Ooh ooo-ooo
I know what to say
Ooh ooo-ooo
I'll try my best to behave
But I won't be tamed

Ooh ooo-ooo
Waiting here for you
Ooh ooo-ooo
If I'm meeting you (?)
There's nothing better to do

Hit me up in the summertime, when the length of your
skirt is just right
I can tell that you want it too, and you tease me with the
things you do
Hit me up in the summertime, when the length of your
skirt is just right
I can tell that you want it too,
and you tease me with the things that you do

Ooh ooo-ooo
Sweat beads on your skin
Ooh ooo-ooo
(?)
I find it enchanting

Ooh ooo-ooo
(?) stuck in my mind
Ooh ooo-ooo
And all we'll find (?)
For aiming too high

Hit me up in the summertime, when the length of your
skirt is just right
I can tell that you want it too, and you tease me with the
things you do
Hit me up in the summertime, when the length of your
skirt is just right
I can tell that you want it too,
and you tease me with the things that you do
