Skittering, you're made of pain
You hide in minds, they writhe, you maim
So charming, your face a tomb
Hidden horror, you taste so good
Ancient evil

You cheat, you steal
Deny that it's real
And re-open wounds
So they never heal
You hold the cards
I play the fool
When you ignore
The cardinal rule

Restless ghoul, you're playing games
You set the traps, they take the bait
So polite, creating hell
A pitfall, you like to sell
Ancient evil

You cheat, you steal
Deny that it's real
And re-open wounds
So they never heal
You hold the cards
I play the fool
When you ignore
The cardinal rule

Ravenous, you feen on skin
You deal it out, they squirm, you grin
So graceful, you're made of knives
Sweet raptor, they all give in
Ancient evil

You cheat, you steal
Deny that it's real
And re-open wounds
So they never heal
You hold the cards

I play the fool
When you ignore
The cardinal rule
