### "Runaway"

Visit "[Runaway](#)" on [MotoLyrics.com](http://MotoLyrics.com)

To my people doing time  
To my people rest in peace  
Y'all ready for the refugee camp?  
Introducing Earth, Wind and Fire  
Yeah, yeah, yeah  
Come on, come on, come on, come on

No money in my pocket gotta get a no limit  
So I became America's most wanted  
All I ever wanted was a fancy car  
A crib for my mom and a master card  
Baby you know how it's in Hollywood  
New cop flicks with Clint Eastwood  
Went from a teen to a young adult  
No excuses it ain't my fault

Runaway, we living like runaways  
Wake up, stretching in the morning, yawning  
Trying to make it through the day  
Brush my teeth, hit the streets  
Where there's heat we afford to beef  
Hoping one day we don't have to run away

I didn't want to runaway  
But I had to get a way yo  
We didn't want to runaway  
But we had to get away yo  
I didn't want to leave astray  
But sometimes I gotta get away yo  
I didn't want to go away  
But I had to go away yo

Yo G and B where you at?

Momma came home from a hard days work  
At day time a maid at night time a nurse  
Work so hard to make sure we survived living a ghetto  
paradise  
Sometimes I wake up screaming in the middle of the  
night  
Hoping that darkness brings me light

Praying for that better day where we won't have to  
runaway

Runaway, we living like runaways  
Wake up, stretching in the morning, yawning  
Trying to make it through the day  
Brush my teeth, hit the streets  
Where there's heat we afford to beef  
Hoping one day we don't have to run away

I didn't want to runaway  
But I had to get a way yo  
We didn't want to runaway  
But we had to get away yo  
I didn't want to leave astray  
But sometimes I gotta get away yo  
I didn't want to go away  
But I had to go away yo

Ladies and gentleman Earth, Wind and Fire  
Feeling Melly y'all  
More peace y'all  
Firm in y'all

Runaway, we living like runaways  
Wake up, stretching in the morning, yawning  
Trying to make it through the day  
Brush my teeth, hit the streets  
Where there's heat we afford to beef  
Hoping one day we don't have to run away

I didn't want to runaway  
But I had to get a way yo  
We didn't want to runaway  
But we had to get away yo  
I didn't want to leave astray  
But sometimes I gotta get away yo  
I didn't want to go away  
But I had to go away yo

I didn't want to runaway  
But I had to get a way yo  
We didn't want to runaway  
But we had to get away yo  
I didn't want to leave astray  
But sometimes I gotta get away yo  
I didn't want to go away  
But I had to go away yo

Yo y'all gonna make me do it  
I don't want to do it but here we go

Ain't no samples this is original baby  
Put em up y'all, refugees  
I want to see everybody's hand in the air right now  
Recognize the legends up in here
