Ahhh  
You know what's really hot?  
Ambition  
It's very plain to see that it's something you're missin'  
You know what's really sad?  
This letter  
I really thought that your words would do better, no

I don't want my stuff back  
I don't yo heart attack  
No  
Forget that you love me, oh  
I don't want my stuff back  
I don't yo heart attack  
No  
Forget that you met me

Ahhh, creepy crawlies gotta go  
Ahhh, do I want you back no  
Ahhh, let you kill me nice and slow now  
Ahh, do I want you back no

You know what's really lame?  
Explanations, but you keep preaching like I got no  
congregation  
The only thing you left me?  
Was disguised  
You won't find better than the nuts we busted so

I don't want my stuff back  
I don't yo heart attack  
No  
Forget that you love me, oh  
I don't want my stuff back  
I don't yo heart attack  
No  
Forget that you met me

Ahhh, creepy crawlies gotta go  
Ahhh, do I want you back no  
Ahhh, let you kill me nice and slow now

Ahh, do I want you back no

You ain't coming up again, back again.
