I don't want anymore of these one night stands
I can't take anymore of being so in demand
I shroud myself in foggy streets
I hide myself within defeat
I need a better kind of man

At night at I stab myself with fairy tales
A happy ending on a bed full of nails
I want a rock hard love
That's shiny and new
That's what I feel when I'm with you

Gimme, gimme diamond love
I'm tired of this rhinestone lust
Gimme million dollar diamond love
The kind that never turns to dust

Gimme, gimme diamond love
I'm tired of this rhinestone lust
Gimme million dollar diamond love
The kind that never turns to dust

Diamond love,

I don't need anymore zirconia
This glitter in my throat's like sand going down down
I need a man cut in a million ways
I want to have to wear shades to look him in the face
There's only one stone in the world I get on my knees
for
And I might let you in the back for 10 kts more

So so so

Give me a love that I can see right through
And on the other side my future looks so shiny and new

Gimme, gimme diamond love
I'm tired of this rhinestone lust
Gimme million dollar diamond love
The kind that never turns to dust

Gimme, gimme diamond love
I'm tired of this rhinestone lust
Gimme million dollar diamond love
The kind that never turns to dust

Diamond love,

No quiero mas tu zirconia
Tus joyas son las de baja calidad
La imitaci3n no me hace responder y tu piedrita
chiquitica ni se puede ver
Me hipnotiza un gran diamante del tama±o del sol
Y si el tuyo no compara yo te pido perd3n
Traenme 2000 kilates y champan a la ves
Y despues de un buen buchito aqui me rindo a tus pies

Diamond love
I'm tired of this rhinestone lust
Gimme million dollar diamond love
The kind that never turns to dust

Diamond love,
