Rhythm Rehab here we go

I'm not talkin talkin dirty
I just get a little flirty
When my martini is dirty
I want to take off my shirt

Oops I can't control my tongue
From all all this liquid fun
So come come come get you some
Some of thus Cuban rums

You gotta

Lick it, lick it, lick it, lick it, suck it
Suck it, suck it, suck it, suck it, lick it
Lick it, lick it, lick it, lick it, chug it
Knock it back fill it up and do it again

You gotta

Lick it, lick it, lick it, lick it, suck it
Suck it, suck it, suck it, suck it, lick it
Lick it, lick it, lick it, lick it, chug it
Knock it back fill it up and do it again

Now I'm feeling', feelin' really high, high
Like a firecracker in yo eye and I don't really really
know why
But I think I got wings this time oh my sky high
My sky got limits and
My earth the dance floor and I'm full of that liquid gold
