Pictures of me
Is all you see
Is all you see
When you look at me

I'm everywhere
People stop and they stare
They take pictures of me
I'm all that they see

The world is wide and I'm on every side
They take pictures of me
That's all that you see

You hear my song you know it makes you wanna say
Oh oh oh oh
You want it every single day
Oh oh oh oh
You know I love it when you play with my
Oh oh oh oh

Right?

Everybody gonna hear me on the radio
Everybody gonna see me in the video
Everybody gonna grind at the disco
Everybody gonna have a good time right?

Everybody gonna hear me on the radio
Everybody gonna see me in the video
Everybody gonna grind at the disco
Everybody gonna have a good time right?

I'm everywhere
People stop and they stare
They take pictures of me
I'm all that they see

The world is wide and I'm on every side
They take pictures of me
I'm all that they see

You hear my song you know it makes you wanna say
Oh oh oh oh
You want it every single day
Oh oh oh oh
You know I love it when you play with my
Oh oh oh oh
