Making love in the pyramids
Mile high, mile high in my private jet
It'll be a, it'll be a night that you won't forget
Blood and sweat
Sweet stains on Mount Everest

Let's run away baby to a place that's far away
Champagne, champagne all day baby
With me it's all the away
We can dance on a tropic isle

See the Congo
Ride the Nile
Play the bongo
Make you smile

Well go where no ones ever flown
And places that you've never known

Making love in the pyramids
Mile high, mile high in my private jet
It'll be a, it'll be a night that you won't forget
Blood and sweat
Sweet stains on Mount Everest

Making love in the pyramids
Mile high, mile high in my private jet
It'll be a, it'll be a night that you won't forget
Blood and sweat
Sweet stains on Mount Everest

Don't need no money girl 'cuz my love don't cost a
thing, thing
Forget the luggage
Don't need to pack a thing
Think about us
Nikki beach Ocean park
Moonlight dancing in the dark
Get the fuse and light the spark

Well go where no ones ever flown

And places that you've never known

Making love in the pyramids
Mile high, mile high in my private jet
It'll be a, it'll be a night that you won't forget
Blood and sweat
Sweet stains on Mount Everest

Making love in the pyramids
Mile high, mile high in my private jet
It'll be a, it'll be a night that you won't forget
Blood and sweat
Sweet stains on Mount Everest
