Can you see me  
Coming out  
I can love you  
There's no doubt

You know I love you and it ain't no lie  
I gotta feeling that I can't deny  
I watch you sleeping and it's no surprise  
I sit in the dark and I wear my disguise

You can't stop me, no  
You can't stop me  
You can't stop me, no  
You can't stop me  
You can't stop me, no  
You can't stop me  
You can't stop me, no  
You can't stop me

You can't stop me baby  
No matter how hard you try  
No matter how hard you try  
You just can't stop me baby

'Cuz can you feel it  
Sticking out  
I'm right above you  
Inside out

You know I want and you it's true  
I gotta have it baby just us two  
I'm gonna push it maybe through and through  
I'm falling apart so I'm stick'n to you

'Cuz you can't stop me, no  
You can't stop me  
You can't stop me, no  
You can't stop me  
You can't stop me, no  
You can't stop me  
You can't stop me, no

You can't stop me

You can't stop me baby  
No matter how hard you try  
No matter how hard you try  
You just can't stop me baby
