23 Cc's of Thorazine  
Can't change the fact  
That you mean everything to me  
Cuz I believe that living on morphine  
just makes the voices louder  
Every needle makes me scream...

There's just no means of escape  
It's impossible  
it's impossible

There's a straight jacket  
ripping up my arms  
And I swear I mean no harm  
I need your love to release me  
Cuz this straight jackets taking all my life  
Cut me open like a knife  
Only your love can release me

100 mg's of Droperidol  
Have no effect at all  
The stitches in my heart never heal and  
I believe there's no way to get me well  
Locked in a padded cell  
I don't know which voice is really me

There's a straight jacket  
ripping up my arms  
And I swear I mean no harm  
I need your love to release me  
Cuz this straight jackets taking all my life  
Cut me open like a knife  
Only your love can release me

Rocking back in forth in place and time  
No reason and no rhyme  
The Pieces fit together  
before falling apart  
My hands wrapped tight around my waist  
Left in the corner, deemed unsafe  
I'd die to have you in my arms

but it's impossible

There's a straight jacket  
ripping up my arms  
And I swear I mean no harm  
I need your love to release me  
Cuz this straight jackets taking all my life  
Cut me open like a knife  
Only your love can release me
