Chorus

What a happy day under the sun
Just chillin' havin' fun x2
Under the sun
Having fun
Under the sun
Having fun

Verse 1

I wake up in the morning
Without no stress on my mind
Hearing the birds singing
Saying everything is fine
Later in the afternoon
Make calls through my phone
Telling each and everybody
To come and join the party

Chorus

Verse 2

Then come the evening
We'll be laughing and dancing
Soon the night's falling
But we will keep jamming
Watching the sun going down
And then the moon comes out
Siting in the darkness
Looking at the shining stars

Chorus

Middle 8

Now can you tell me what you wanna do o o o
You can always come and join the happy tune
Where everybody is what they wanna be
And everybody lives in peace and harmony

Chorus
