I got it all worked out good, you settle now But then you poke around for a better plan It's not an easy street, give you, give you all tonight I'm such a mess right now, such a mess right now You better show me how I'm not the simple kind It's not an easy street, give you, give you all alright

You go oh, s-s-say it, come and say it out loud, so they all can hear

I'm the one, I'm the one, I'm the one for you

Sh-sh-shake it while you're at it now, like you mean it now

Gimme once, gimme twice alright

I said to live this life, said to live this life
It takes a hell of time, will you please be mine
It's not an easy street, I shouldn't even bother now
I want (?) of The Strokes in town
You rather sip through all your fancy wine
And come alive once more
Oh but this time I decide

You go oh, s-s-say it, come and say it out loud, so they all can hear

I'm the one, I'm the one, I'm the one for you

Sh-sh-shake it while you're at it now, like you mean it now

Gimme once, gimme twice tonight

I just wanna lay you down, come and lay you down I'll just go down baby stay high
I just wanna go down so won't you lay down now
It's time to go but I love you so, get out!

Oh, s-s-say it, come and say it out loud, so they all can hear

I'm the one, I'm the one, I'm the one for you

S-s-say it, come and say it out loud, so they all can hear

I'm the one, I'm the one, I'm the one, I'm the one for you Sh-sh-shake it while you're at it now, like you mean it now Gimme once, gimme twice tonight
