Everyone warned me, I didn't listen
Just seems like the rebels are better at kissing
You walk around acting like you own the place
And why, oh why, do I believe you'll ever change

That's how I like 'em,
Oh no
Cause I've got, I've got a self destructive soul
Oh no
Cause I've got, I've got a self destructive soul

Woke up next to you, your eyes were bloodshot
See I told ya you shouldn't have had that last shot
Somebody save me, I'm going crazy
Don't want to stay, I don't want to stick around
But I will

That's how I like 'em
Oh no
Cause I've got, I've got a self destructive soul
Oh no
Cause I've got, I've got a self destructive soul

You handsome devil you
I'm your falling angel fool
You're my strung out movie star
But I've got a crush on you
Oh why do I fall into the same old trap
It seems like every time I leave
I swear I'm never going back
But it's that Casanova charm
My sudo Romeo
I see you for what you are
You put on one hell of a show

That's how I like 'em
Oh no
Cause I've got, I've got a self destructive soul
Oh no
Cause I've got, I've got a self destructive soul
Oh no, oh no no on

That's how I like 'em [x4]
