And as I lay
On the clouds of my pillowcase
I wonder if she's worth it after all
To my dismay,
I'm scared of things I must embrace
Not sure if I'm ready for the call

Hold on
I promise I'll be right there catchin' all your nightmares
Just go to sleep and you'll see
I know that I'm not
A knight in shining armor
I'll show what I've got
In hopes just to charm you
In hopes just to charm you

There's a place in my heart for things like these
There's a focus in my eyes and it's you that I see
And even if you choose to look away
It doesn't change the fact that I am here to stay

Hold on
I promise I'll be right there catchin' all your nightmares
Just go to sleep and you'll see
I know that I'm not
A knight in shining armor
I'll show what I've got
In hopes just to charm you
In hopes just to charm you

In hopes just to charm you
Woah, Woah

As these moments quickly fade away
These memories are all that I have left of you
With one last breath, I lay it on the line
And all I hope for is lost if you don't come through

Hold on
I promise I'll be right there catchin' all your nightmares
Just go to sleep and you'll see

I know that I'm not
A knight in shining armor
I'll show what I've got
In hopes just to charm you
In hopes just to charm you

In hopes just to charm you
Woah, Woah
