please
let me touch you hand
see just one more smile
stay here
forever
i promise well be alright

ive waited
to find you now
have to turn around
the hardest thing ive done
i cant stop
seeing your eyes
waiting every time
every time i close mine
brilliant lives
cant stay away
if you, believe in fate
will we
kiss someday?

wait, stay another day
can i look in your eyes
just one
just one more time

please
let me touch you hand
see just one more smile
stay here
forever
i promise well be alright
ive waited
to find you now
have to turn around
the hardest thing ive done
i cant stop
seeing your eyes
waiting every time
every time i close mine
brilliant lives
cant stay away

if you, believe in fate
will we
kiss someday?

i watch myself fall, i watch myself fall for you again
i watch myself fall, i watch myself fall for you again
i watch myself fall, i watch myself fall for you again
i watch and i fall , i watch and i fall for you again
i watch and i fall for you again
i watch and i fall for you..
