

15 Minutes Late "Buried"

Visit "[Buried](#)" on MotoLyrics.com

I wasted all this time
With you my dear
As you masquerade
and tell yourself a thousand lies

If you say two and one is five
Then you're right
Along those lines just say
That all we ever do is fight

I can't pretend that I don't miss you
I think I will
Take the time to get over it
I think I'll bury it
and I shoulda just said good-bye
Cause you're wasting my time

I'm sick of losing games
Cause you make the rules
I'm never more alone
Then anytime I spent with you

Aren't you so pretty
Pretty what I think it's
Time for you to fill that line

You're right here
But I can't hear your voice right now
