Jeanni I wish that you would be my girl
You're just about the prettiest thing inside this whole
damn world

If I was a lucky guy, you know I'd be standing there by
your side
I wanna hold your hand so tight.
And I would write for you hundreds of love songs
???Cause I adore you.

Jeanni I wish I never have anyone else but you
Just the fact that I'm in this band
[what?! I have no idea, please suggest changes]

If I was a lucky guy, you know I'd be standing there by
your side
I wanna hold your hand so tight.
And I would write for you hundreds of love songs
???Cause I adore you.

Jeanni please like me
I'll make your life feel so complete
Does the fact that I wrote this song
Mean you'll be here before too long?

If I was a lucky guy, you know I'd be standing there by
your side
I wanna hold your hand so tight.
And I would sing to you all of these dumb love songs.

???Cause I adore you.

In time I know I'll drop the line
I know I'll give you a call to ask you out
And I know the things that you do
will make me feel alright

In time I know I'll drop the line
I know I'll give you a call to ask you out
I know you'll come to the shows
To watch me sing those songs about you

I know everything will be alright someday
If you would just be my forever
I'll promise I'll say never

Always and I know that you will be there for me
I don't know what else to say for you

If I was a lucky guy, you know I'd be standing there by
your side
I wanna hold your hand so tight.
And I would sing to you all of these dumb love songs.
???Cause I adore you.

And I would sing for you, any of my own songs
???Cause I adore you.
