Don't turn me down  
I need the sound  
to paint my walls  
to spin me round  
to spin  
spin me round  
to spin  
spin me round

And I've been searching a long time  
For a heart that will beat with mine  
I think I found it  
I think I found it

I took my life  
on the mountainside  
just turn it up  
And we will rise  
We will  
we will rise  
we will  
we will rise

And I've been searching a long time  
For a heart that will beat with mine  
I think I found it  
I think I found it

Don't turn me down  
I need the sound  
to paint my walls  
to spin me round  
to spin  
spin me round  
to spin  
spin me round

And I've been searching a long time  
For a heart that will beat with mine  
And I've been singing a long time  
to a heart that will beat with mine

I think I found it
