Woah, woah
Woah, woah
Woah, woah
The sun will still shine tomorrow
So it's time for moving on
There's not a second for sorrow
Even though the moments gone
The puzzle has so many pieces
But you can't, you can't hide
'Cause life just keeps on living
And sooner or later you'll find
This is not the end, no
Your day is gonna come
This is not the end, no
You're not the only one
We all have our ups and all have our downs
That we have to find a way around
This is not the end, no, no, oh, oh, oh
This is not the end

Woah, woah
I know it's never easy
To pick yourself up again
Take a deep breath 'cuz you know that
It's time to look ahead
With one foot in front of other
That you can, you can fly
Into a better tomorrow
And leave yesterday behind
This is not the end, no
Your day is gonna come
This is not the end, no
You're not the only one
We all have our ups and all have our downs
That we have to find a way around
This is not the end, no, no, oh, oh, oh
This is not the end

Oh, oh, oh
Don't ever give up, no
Oh, oh, oh

It's just a start now
Oh, oh, oh
It's just a start now
This is not the end, no
Your day is gonna come
This is not the end, no
You're not the only one
We all have our ups and all have our downs
That we have to find a way around
This is not the end, no, no, oh, oh, oh
This is not the end

Oh, oh, oh
Don't ever give up, no
Oh, oh, oh
It's just a start now
We all have our ups and all have our downs
That we have to find a way around
This is not the end, no, no, oh, oh, oh
This is not the end
Woah, woah
