As we come today we remind ourselves of what we do
That these songs are not just songs but signs of love
for You

As we come today we remind ourselves of what we do
That these songs are not just songs but signs of love
for You

This is a holy moment now, something of heaven
touches earth

Voices of angels all resound, we join their song
Come, come, come, let us worship God
With our hands held high and our hearts bowed down
We will run, run, run through Your gates O God
With a shout of love, with a shout of love
Lord with confidence we come before Your throne of
Grace

Not that we deserve to come but You have paid the way
You are the Holy King of all, heaven and earth are in
Your hands

All of the angels sing Your song, we join them now
Come, come, come, let us worship God
With our hands held high and our hearts bowed down
We will run, run, run through Your gates O God
With a shout of love, with a shout of love

Let this be a holy moment now, let this be a holy
moment now

Let this be a holy moment now, let this be a holy
moment now

Come, come, come, let us worship God
With our hands held high and our hearts bowed down
We will run, run, run through Your gates O God
With a shout of love, with a shout of love
Come, come, come, let us worship God
With our hands held high and our hearts bowed down
We will run, run, run through Your gates O God
With a shout of love, with a shout of love
With a shout of love, with a shout of love
With a shout of love, with a shout of love
With a shout of love, with a shout of love
Let this be a holy moment now
Let this be a holy moment now

Let this be a holy moment now
Holy moment now...
