I, don't care what my teacher's say.
I'm gonna be a supermodel.
Everyone is gonna dress like me,
wait and see when I'm a supermodel and my hair will
shine like the sea. Everyone will wanna look just like
me.

Chorus: Coz I'm young and I'm hip so beautiful.
I'm gonna be a supermodel. (x2)
I wish that I was like Tori Spelling with a car like
hers and a tan like hers and I'll show them how it
was done. That'd be fun, that'd be fun.
And I'd write my school report on why I love my jeans,
why I love my jeans. Open my locker door,
its the coolest thing that you've ever seen.
Chorus (x2)

I didn't eat yesterday and I'm not gonna eat today
and I'm not gonna eat tommorow.
Coz I'm gonna be a supermodel.
Supermodel, so beautiful. I'm gonna be a supermodel.
Chorus (x4)
