Not too long ago
You said you'd love me til the end.
But lately you're indifferent
And I can't even be your friend.
If I'm really such a bore
And you don't love me any more.
Leave my heart
So I can smile again.
Untie me (untie me)
Untie me baby (untie me)
You're not ever there
When I need you
I don't know what to say
Or what to do.
So untie me.

If you found a new love
I won't put the blame on you.
But if you found a true love
Just let me start my life anew.
If I'm really such a bore
And you don't want me anymore
Leave my heart
So I can smile again.

And untie me
Untie me baby
Your'e not ever there
When I need you.
You don't care what I say
Or what I do.
So untie me
