Coach put me in I'm itching to play.
I'll never be ready on the end of the bench.
I remember the plays again and again.
I know what to say as the huddle begins.
Yeah, I got on my cleats.
But I'm never going to be captain.
0-11, and I still haven't played.
He won't even listen at the end of the game.
And now we remember something coach said to me.
"Son I can't use you, because you're not on the team".
Nobody hears me.
Because I'm screaming from the cheap seats.
