Together we will go our way, together we will leave  
some day.  
Together your hand in my hand, together we will make  
the plans.  
Together we will fly so high, together tell our friends  
goodbye.  
Together we will start life new, together this is what  
we'll do.

Go west, life is peaceful there, go west, lots of open  
air.  
Go west to begin life new, go west, this is what we'll do.  
Go west, sun in winter time, go west, we will do just  
fine.  
Go west where the skies are blue, go west, this and  
more we'll do.

Together we will love the beach, together we will learn  
and teach.  
Together change our pace of life, together we will work  
and strive.  
I love you, I know you love me, I want you happy and  
carefree.  
So that's why I have no protest when you say you want  
to go west.

Go west, life is peaceful there, go west, lots of open  
air.  
Go west to begin life new, go west, this is what we'll do  
. .  
Go west, sun in winter time, go west, we will do just  
fine.  
Go west where the skies are blue, go west, this and  
more we'll do.

I know that there are many ways to live there in the sun  
or shade.  
Together we will find a place to settle down and live  
with the space  
Without the busy pace back east, the hustling, rustling  
of the feet.

I know I'm ready to leave too, so this is what we're going to do.

Go west, life is peaceful there, go west, lots of open air.

Go west to begin life new, go west, this is what we'll do.

Go west, sun in winter time, go west, we will do just fine.

Go west where the skies are blue, go west, this and more we'll do.

Go west, go west, go west...
