On a killing spree

With my bare hands

Run around this place

I'm a madman

Here I am again

Looking for you

Guns in hands

Waiting for you

I've been here before

Here I go again

Hunting for you

Bombs in hands

Attach them to you

You're killing me

With a blank stare

Don't forget my face

I'm the madman

Here I pray again

Hatred from you

My gun in my mouth

Dying from you

I've been here before

Been here before
