So sad to leave it
So sad to leave a love
So sad to leave it
So sad to leave a love

How about the heroes?
Well, they come and they go
Well, they're the believers
And in their lives they show
Well, we're the wanderers
In this life we lead

We're searching for wisdom
But will we learn how to feed, oh no
I can see it in my life sometimes
Too many chances and the waiting goes by
For a love I would give it all
I'd erase the world, I'd risk it all

So sad to leave it
So sad to leave a love
So sad to leave it
So sad to leave a love

How about the mercy?
And the faithfulness
The cold wind it blows me
And I blame it on this
There's too many thoughts here
And I need some way, some way to guide me
Oh, it gets harder everyday, oh my

I can see it in my life sometimes
Too many chances and the waiting goes by
For a love I would give it all
I'd erase the world, I'd risk it all
I can see it in my life sometimes

Too many chances and the waiting goes by
For a love I would give it all
I'd erase the world, I'd risk it all

So sad to leave it
So sad to leave a love
So sad to leave it
So sad to leave a love

So sad to leave it
So sad to leave a love
So sad to leave it
So sad to leave a love

So sad to say it
So sad to say it
So sad to say it
So sad to say it
