Stopped off at the store for some chips and salsa
Salt and limes and some frozen enchiladas
Had planned a fiesta for me and my baby
Was gonna have it all ready when she pulled into the
driveway

But dang now wouldn't you knowâ€
Yeah I got everything but the Cuervo gold
So I jumped into the carâ€
Drove down to granddaddy's barn
And got a couple mason jarsâ€

And poured that bootleg in the blender
And bout halfway through the dinner
We forgot we didn't remember
The Spanish we learned back in school
We were dancin' the macarena
In our hillbilly cantina
Me and my country girl senoritaâ€
Drinkin' moonshine margaritas

Might a been the jalapenos might a been the rosesâ€
I'm not sure what it was all that I know is
She leaned 'cross the table in the candlelightâ€
Said you aint made me feel like this in a long timeâ€

Then she raised her glass and said
Baby it's goin' straight to my head
If you're thinkin' what I think
Let's have us another drink
Then she gave me a little wink

You look good enough to eata
My bonita mamasita
Do what to my frijoles
Holy guacamole

Let's pour the bootleg in the blender
Forget about the dinner
And the fact we don't remember
The Spanish we learned back in school

Let's dance the macarena
In our hillbilly cantina
Me and my country girl senorita~
Drinkin' moonshine margaritas
