In this rain, I'm on my own,  
In this rain, I'm all alone,  
And this time, I cannot see, just what will come on me.  
I'm so numb, no strength,  
I'm so tired, more afraid,  
Just so willing, sitting here,  
Crying tears for blue and love can't do.

Loving you, loving you,  
Loving you, loving you,  
Loving you, loving you.

In the ghost town  
The night goes old,  
I'm looking around,  
I'm all alone,  
Pictures fading on the wall,  
Still I'm waiting for your come.

I'm so numb, no strength,  
I'm so tired, more afraid,  
Just so willing, sitting here,  
Crying tears for blue and love can't do.

Loving you, loving you,  
Loving you, loving you,  
Loving you, loving you.

I'm so numb, no strength,  
Just so willing, sitting here,  
You didn't hear me  
Crying tears for blue and love can't do.  
Loving you, loving you,  
Loving you, loving you,  
Loving you, loving you.

In this rain, in this rain, in this rain.

Thanks to Iulia
